

Useful vocabulary and phrases:

Pokazowa Zagroda Żubrów, Pszczyna

www.zubry.pszczyna.pl

Pokazowa Zagroda Zubrow provides an educational environment focusing on the European bison, a symbol of nature's resilience. Did you know these animals were on the brink of extinction before conservation efforts took hold?

Founded in 2000 by local conservationists, the facility aims to promote awareness about the European bison and its habitat. Visitors will find various architectural structures designed to mimic natural ecosystems, making it a valuable cultural and ecological site.

Species:

- ✓ European lowland bison (-s)
- ✓ red and fallow deer (deer)
- ✓ roe deer
- ✓ fox (-es)
- ✓ birds: duck (-s), goose (geese), peacock (-s), pheasant (-s)

Daily animal care tasks:

- ✓ prepare feed and water
- ✓ feed, water, and observe animal behaviour
- ✓ take care of European bisons and other species
- ✓ clean and disinfect animal stalls and outdoor areas
- ✓ technical inspection of the facility
- ✓ monitor animal health indicators
- ✓ monitor atypical behavioural patterns
- ✓ collect biological samples
- ✓ operate basic mechanized equipment
